14 The total income under Octroi amounted to Rs 62398—11—0 against 67688-10-3 of the previous year The decrease of Rs 5289—15—3 was due to the poorer collection under Cocoanuts, Betel leaves Sugar, Ghee timber, teak and Blackwood and Tobacco Plague also affected traffic to a great extent and there were no special events in the Palace such as a Royal Marriage to cause increased revenue from this source

15 *Tax on Houses and Lands*

Actuals for 1899—1900	10 532—13—7
Estimate for 1900—1901	12000— 0—0
Actuals for 1900—1901	11278—11—7

The actuals for the year under report were Rs 11278—11—7 against Rs 16532—13—7 There was a large decrease of Rs 5254—2—0 under this head accounted for by the prevalence of Plague in the city during the greater part of the year The No of houses and vacant sites taxed during the year was 12209 against 12363 in the previous year The Statement (E) herewith appended gives in detail the number of houses of various descriptions during the year under report

18 The number of bills presented and the demand notices issued were respectively 124 and 502 against 547 and 1163 of the previous year 444 persons against 1060 satisfied the demand at once, and in the case of 58 against 95 coercive measures were used

The total collection under mohatarfa was Rs 4806—13—2 against 6734—12—2 of the previous year The decrease of Rs 1877—15—0 in the collection made during the year was due to the greater number of shops closed during the time Plague was prevalent in the City The Number of shops oilmills and carts was 1329 82, 715 against 1330, 10 561 respectively during the previous year

The following table gives in detail both the collection and current demand under each of the heads

Total	5 905	7	0	10 596	10	6	2 004	15	3	2 851	13	11

From the above figures it will be plain that there was a decrease under shops and oil mills due largely to the prevalence of Plague while under carts there was an increase of Rs. 263—9—0 due to the system of registering the carts recently introduced into the City to exempt them from Tolls when they happen to enter the City
